Form 8

NOTE.—The grades of scholarship are A (Excellent), B (Good), C (Passing), D (Not Passing). In the Senior Class the mark required for passing is C+. Students receive a standing each term in each course taken during that term.

Periodical reports are made on October 31, December 15, March 15, and April 30. Term reports are made on January 31, and June 24.

The School year is divided into two terms—fall and spring.

A student must pass in all branches in order to be graduated.

Every student should spend from ten to fifteen hours a week on home work.

Parents are earnestly requested to co-operate by making the home conditions for study as favorable as possible. Since absence and lateness affect the student's progress, neither should be permitted except when unavoidable.

This school is always open to visitors. Parents especially welcome.
