Postlude

*Death, being the wages of sin, why are not
the righteous delivered from death, seeing all
their sins are forgiven in Christ?*

*The righteous shall be delivered from death itself
at the last day, and even in death are delivered
from the sting and curse of it; so that, although
they die, yet it is out of God's love, to free them
perfectly from sin and misery, and to make them
capable of further communion with Christ
in glory, which they then enter upon.*
